

Date	Time	Main Theme (Eng)	Company Name (Eng)	Presentation Topic (Eng)	Speakers (Eng)	Title (Eng)
2024/12/2	10:30 - 11:00	Energy Technology Innovation	Shanghai Motor Vehicle Inspection Certification & Innovation Center Co Ltd	Research on Advanced Battery Testing and Evaluation Technology	James Xie	Vice-Chief Engineer
	11:00 - 11:30		Wanbang Digital Energy Co Ltd	The Application of Smart Microgrid in Energy Technology	zhou Qiangsheng	Solution Manager
	11:30 - 12:00		PHINIA Automotive Trading (Shanghai) Co Ltd	Green Transportation: The Technological Development and Application of Alternative Fuels	Wei Shaohua	Calibration Manager
	12:00 - 12:30		Autel Intelligent Technology Corp Ltd	Accelerate the advancement of new productive forces to help the development of high-quality charging networks abroad	Cai Peng	Sales Director
	12:30 - 13:30	Lunch Break				
	13:30 - 14:00	Automotive AI	Shanghai Motor Vehicle Inspection Certification & Innovation Center Co Ltd	LiDAR In-vehicle Inspection Technology	Shen Yafei	Director of Automotive Metrology Center
	14:00 - 14:30		Hesai Technology Co Ltd	Bridging the Gap, Enhancing Safety with AI: LiDAR Enabling the Ultimate Smart Driving Experience	Zeng Siming	Senior Product Specialist
	14:30 - 15:00		Wuhan Xuanyuan Idrive Technology Co Ltd	Current Uses and Future Prospects of Infrared Thermal Imaging Technology in the Automotive Industry	Dengxing	Product Director
	15:00 - 15:30	Digital Transformation	SIPPR Engineering Group Co Ltd Intelligent Engineering and Manufacturing Institute	Green Intelligent Factory System Integrated Solution for Equipment Manufacturing Industry	Shi Kangyun	Chief Engineer, Professor-Level Senior Engineer
15:30 - 16:00	ZF Services (China) Co Ltd		Digital Solutions for Improving Uptime in Commercial Vehicle Fleets	Kevin Shi	Head of CV Sales China, ZF AM	
16:00 - 16:30	Cross-Border Investment & Global Cooperation	Consulate General of Brazil in Shanghai(TBD)	Investment Opportunities in Brazil's Automotive Industry	TBD		
2024/12/3	10:00 - 10:30	Cross-Border Investment & Global Cooperation	Thailand Board of Investment	The Investment Environment and Strategies in Thailand's Automotive Industry	Donlaporn Ajavavarakul	Consul (Investment Promotion) Shanghai
	10:30 - 11:00		Consulate General of Malaysia, Shanghai Malaysian Investment Development Authority (MIDA), Shanghai	Investment Opportunities in Malaysia's Automotive Industry	Steven Cheng Seng Hock	Consul (Investment) Director
	11:00 - 11:30	Energy Technology Innovation	CAMEL GROUP Co Ltd	Advances and Innovations in Vehicle Low-Voltage Lithium-Ion Power Supply Systems	Cheng Hang	Senior Engineer
	11:30 - 12:00		Dana Incorporated	Dana's Metallic Bipolar Plate for Fuel Cell	Andy Cao	Power Technologies, Product Engineering, Asia
	12:00 - 13:30	Lunch Break				
	13:30 - 14:00	Automotive AI	Tianjin Youkong Zhixing Technology Co Ltd	Electronic and Electrical Architecture Iteration and Controller Applications	Wu Chenxiao	Deputy General Manager
	14:00 - 14:30		China Automotive Engineering Research Institute Co Ltd	Transformative Power of Automotive Steer-by-Wire Technology	Tang Jun	Deputy Director of the Components and Materials Evaluation and Research Center, Inspection Engineering Business Department
	14:30 - 15:00		Hangzhou Carlinx Multi Tech Co Ltd	TBD	Rio	Product Manager
	15:00 - 15:30	Digital Transformation	Beijing AutoBrain Technology Co Ltd	Software Redefined the Concept of Cars - Integration from Parking and Driving, to Cabin Control	Yolanda Du	CEO
15:30 - 16:00	DongFeng Electronic Technology Co Ltd		"Intelligent Equipment: Transforming and Upgrading the Automotive Industry (TBD)"	TBD		
16:00 - 16:30	Sustainable Development	Jiangsu Skytech Industrial Internet Co Ltd	Digitalisation Drives the Green & Low-carbon Transformation in the Automotive Supply Chain	Wu Yan	CEO	
2024/12/4	10:00 - 10:30	Automotive AI	Black Sesame Technologies	"Chips" Empowers the Swift Advancement of Intelligent Cars	Eric E	Senior Product Manager
	10:30 - 11:00		Nanjing Rsemi Technology Co Ltd	High Performance Automotive SerDes Empowering a New Era of Intelligent Driving	Leon Jin	Product VP
	11:00 - 11:30		Hubei Henglong Group	Smart Driving: The Revolution of Steer-by-Wire Technology and Its Future Market Trends	Deng Yongqiang	Deputy Director of the Technology Center
	11:30 - 12:00		Zhejiang Cosmartor International Intelligent Suspension Tech Co Ltd	Configuration and Control of Active and Semi-Active Suspension Systems	Wei Yintao	Founder
	12:00 - 13:30	Lunch Break				
	13:30 - 14:00	Energy Technology Innovation	Shanghai Motor Vehicle Inspection Certification & Innovation Center Co Ltd	Development Trends and Future Prospects of China's Hydrogen Energy Industry	Jiang Changlong	Director of Laboratory of Hydrogen and Fuel Cell Test & Research
	14:00 - 14:30		NOK-FREUDENBERG (China)	Often invisible, Always essential: Introducing a Sealing Technology for New Energy Vehicles	Shi Zhongyi	Senior Product Manager
	14:30 - 15:00	Digital Transformation	SONATUS	Data-driven Software Defining Vehicles Revolution	Steven Ren	Country Manager of China, SONATUS
	15:00 - 15:30		China Academy of Information and Communications Technology (CAICT) East China Branch	Data Management Empowering Automotive Industry's Digital Transformation	Zhang Zhenwei	Senior Consulting Advisor
15:30 - 16:00	Bosch Automotive Aftermarket (China) Co Ltd		TBD	Yuan Ding	Senior Manager, Strategy & Business Development for Bosch Mobility Aftermarket Asia Pacific	
16:00 - 16:30	Cross-Border Investment & Global Cooperation	Germany Trade & Invest(TBD)	TBD	Branda Xu	Senior Manager, Investment Promotion	
2024/12/5	10:00 - 10:30	Sustainable Development	ZF Services (China) Co Ltd	Challenges and Opportunities in Remanufacturing Industry	Wu Shengmin	Remanufacturing Supervisor
	10:30 - 11:00		Hitachi Astemo Automotive Systems (China) Ltd	Coping with Internal Competition for Sustainable Corporate Development	Li Huijia	Senior director
	11:00 - 11:30		Qingdao Brembo Trading Co Ltd	The Journey of Brembo Automotive Aftermarket Products Toward Sustainable Development	Eric Ni	Brembo General Manager Aftermarket APAC
