

Green Repair – Forum Area

Date	Time	Main Theme	Presentation Topic	Speakers	Title	Company
2024/12/2	10:30 – 11:00	Analysing the Overseas Market Trends of New Energy Vehicles	Current State and Future Prospects of the After-Sales Market for New Energy Vehicles in Europe	Addie Wei	Director, Business Strategy	EAC- Euro Asia International Consulting
	11:00 – 11:30		Discussing the Impact of Digitization in the Automotive Aftermarket Industry	Chris Roedel	Chief Solution Officer	Incadea (Beijing) Information Technology Co Ltd
	11:30 – 12:00	Vocational Skill Map of New Energy Vehicle Aftermarket	Analysing the Evaluation of the Vocational Skills in NEV Aftermarket Industry	Xu Jianzhong	Dean	Beijing Huizhihuizhong Automobile Technology Research Institute
	12:00-13:30					
	13:30 – 14:45	Critical Aftermarket Repair Skills Beyond the Ordinary and Analysis of Complex and Challenging Malfunctions	Maintenance for Electric-Drive Axle Technology in New Energy Commercial Vehicles	Wang Dianqing	Automotive Chassis Technical Manager	Yantai Haide Science and Technology Co Ltd
	14:45 – 15:15	Advancing Products through Technological Transformation in the Era of New Productivity	Concept and Application of Launch Tech's SmartLink Super Remote Diagnostics	Du Changsheng	General Manager of Launch Tech Shanghai	Launch Tech Co Ltd
	15:15 – 15:45		Partnering with You Car---Fuguang Makes EV Battery Testing Easier	Wang Naifeng	Director of Product Technology Department	Fuzhou Fuguang Electronics Co Ltd
	15:45 – 16:15		The Evolution of Dent Repair - Understanding Glue Pull Repair	Greg Lamrock/Jay Ma	Asia-Pacific Manager / Senior Trainer for Greater China	Keco Body Repair Products
2024/12/3	10:00 – 10:30	Implementing Low-carbon Initiatives to Drive Green Business Innovation	How NEVS Advanced Driver Assistance Systems (ADAS) Utilize Electronic Measurement Equipment for Automotive Maintenance	Wu Caijin	Head of R&D Department	Celette Auto Equipment & Reparation (Jiaxing) Co Ltd
	10:30 – 11:00		How Intelligent Spray Painting Robots Foster a Green Production Process	Yan Xiangcheng	Marketing Director, Robotics Division	Dalian Newstar Automobile Equipment Co Ltd
	11:00 – 11:30	Leveraging Digital Services to Streamline Store Operations and Maximise Efficiency	Digitalisation Empowering the After-sales Paint Job Market, Transforming Master's Expertise into 18 Standardised Procedures	Lu Yang	Product Director	Hangzhou Enoch Automobile Technology Co Ltd
	11:30 – 12:00		When Automotive Diagnostics Meets AI-Driven Data Models	Yao Di	Director of AI Technology Center	Thinkcar Tech Co Ltd
	12:00 – 13:40					
	13:40 – 14:45	Critical Aftermarket Repair Skills Beyond the Ordinary and Analysis of Complex and Challenging Malfunctions	Technical Training and Case Studies on Maintenance of Range-Extender Hybrid Vehicles	Hu Jie	General Manager	Shandong German New Energy Vehicle Co Ltd
	14:45 – 15:15	Advancing Products through Technological Transformation in the Era of New Productivity	Advancements in Accident Repair: Paving the Way for Progress	Gong Jianing	Assistant Dean	Bantam Institute of Stamping Injection Technology
	15:15 – 15:45		How Overseas Car Washing and Beauty Sector Break Through Leveraging the Roll-out of ESG Ratings	Choi Chun	Head of Oversea Business Development	Zhejiang YiGongLi Intelligent Technology Co Ltd
	15:45 – 16:15		Innovative and Sustainable Operation Strategies for New Energy Vehicle Road Rescue Business	Zhao Haidi	General Manager	Lujia Luhe (Beijing) Technology Co LTD (GSDX)

2024/12/4	10:00 – 10:10	Accelerating Automotive Industry Innovation through Industry-Academia Collaboration	Opening remarks	Hou Nianhu	President	Shandong Association of Automobile Maintenance Industry
	10:10 – 10:40		Driving the Future: The Successful Industry-Education Integration Story of a Three-Time World Championship	Cao Rong	Headmaster	Yangpu Modern Vocational School Attached To Shanghai Normal University
	10:40 – 11:10		Developing a New Productive Force through Further Industry-Education Integration	Liu Yong	President	Shanghai Boshi Vocational Training Institute of Automotive Technology
	11:10 – 11:40		Case Studies and Framework Analysis for Creating Industry-Education Integration Communities in the Automotive Industry	Zhang Shufeng	President of Automotive Academy	Jinan Engineering Polytechnic
	11:40 – 12:10		Enhancements of Large-Scale Vocational Education Equipment	Qin Xiangyang	Deputy General Manager	North Education Group
	12:10-13:30					
	13:30 – 14:45	Critical Aftermarket Repair Skills Beyond the Ordinary and Analysis of Complex and Challenging Malfunctions	Common Errors and Case Studies of the Emission Control in National VI Diesel Fuel Injection System	Qi Peng	Senior Training Instructor	Shenzhen Engine Dance Technology Co Ltd
	14:45 – 15:15	Advancing Products through Technological Transformation in the Era of New Productivity	Safety Evaluation of New Energy Vehicles	Di Jianhui	Chief Engineer	Shijiazhuang Huayan Transportation Technology Co Ltd
	15:15 – 15:45	Implementing Low-carbon Initiatives to Drive Green Business Innovation	Innovative Approaches to Green Maintenance for New Energy Vehicle AC	Zhang Qiyu	General Manager	Guangzhou Honow Automobile Service Equipment Co Ltd
	15:45 – 16:15		Advancements for Low-Carbon Repair Services and Insurance Business in the Automotive Industry	Li Changhong	Vice President	Beijing Jingyou Times Information Technology Development Co Ltd

Green Repair – Training Area

Date	Time	Main Theme	Programme Content	Company
2024/12/2	10:00 – 10:20	Practical Training for Chassis Maintenance	Opportunities and Requirements for Managing Automotive Chassis Projects	Yantai Haide Science And Technology Co Ltd
	10:30 – 10:50		Looking for Opportunities in Automotive Chassis Business; Chassis Inspection Process	
	11:00 – 11:20	Practical Training for Repairing New Energy Vehicle	Common Issues in High-Voltage Batteries	Shandong German New Energy Vehicle Co Ltd
	11:30 – 11:50		Repair and Balancing Voltage Batteries	
	12:00 – 13:30			
	13:30 – 13:50	Practical Training for Chassis Maintenance	Key Steps of Tyre Inspection and Common Issues	Yantai Haide Science And Technology Co Ltd
	14:00 – 14:20		Key Steps of Brakes and Linkages Inspection and Common Issues	
	14:30 – 14:50	Practical Training for Repairing New Energy Vehicle	Repair and Maintenance for Audi and Mercedes' 48V Battery	Shandong German New Energy Vehicle Co Ltd
	15:00 – 15:20		Repair and Maintenance for the Latest BMW 5 Series G68 and X5 G05 48V Battery	
2024/12/3	10:00 – 10:20	Practical Training for Chassis Maintenance	Diagnosis Approaches and Solutions for Chassis Noise Issues	Yantai Haide Science And Technology Co Ltd
	10:30 – 10:50		Diagnosis Approaches and Solutions for Steering Wheel Misalignment	
	11:00 – 11:20	Practical Training for Repairing New Energy Vehicle	Repair and Maintenance for BMW G38/G12 EME	Shandong German New Energy Vehicle Co Ltd
	11:30 – 11:50		Repair and Maintenance for BMW F15/F18 EME	
	12:00 – 13:30			

	13:30 – 13:50	Practical Training for Chassis Maintenance	Diagnosis Approaches and Solutions for Vehicle Drifting Issues	Yantai Haide Science And Technology Co Ltd
	14:00 – 14:20		Diagnosis Approaches and Solutions for Abnormal Wear and Tear	
	14:30 – 14:50	Practical Training for Repairing New Energy Vehicle	Repair and Maintenance for Audi 48V Generator	Shandong German New Energy Vehicle Co Ltd
	15:00 – 15:20		Repair and Maintenance for Tesla 12V Batteries, and Land Rover and Volvo 48V Batteries	
2024/12/4	10:00 – 10:20	Practical Training for Chassis Maintenance	Diagnosis Approaches and Solutions for Body Floating	Yantai Haide Science And Technology Co Ltd
	10:30 – 10:50		Diagnostic Approaches and Solutions for Body Vibration	
	11:00 – 11:20	Practical Training for Repairing New Energy Vehicle	Deactivating the Collision Protection on BMW IX3, I3, and IX Models	Shandong German New Energy Vehicle Co Ltd
	11:30 – 11:50		Deactivating the Collision Protection on Volkswagen ID3, ID4, and ID6 Models	
	12:00 – 13:30			
	13:30 – 13:50	Practical Training for Chassis Maintenance	Diagnosis Approaches and Solutions for Heavy Steering	Yantai Haide Science And Technology Co Ltd
	14:00 – 14:20		Diagnostic Approaches and Solutions for Brake Abnormalities	
	14:30 – 14:50	Practical Training for Repairing New Energy Vehicle	Repair and Maintenance for BMW and Tesla Air Conditioning Compressor	Shandong German New Energy Vehicle Co Ltd
	15:00 – 15:20		Repair and Maintenance for 48V Battery for Domestic Vehicles	
2024/12/5	10:00 – 10:20	Practical Training for Chassis Maintenance	The Relationship Between Chassis Parameters and Linkages	Yantai Haide Science And Technology Co Ltd
	10:30 – 10:50		How to Adjust Chassis Parameters?
